Welcome to Hollywood! The year is 1949 and the movie business is booming. Bette Davies, Katherine Hepburn and Cary Grant are just a few among many household names currently at their peak. Down the road at Paramount Studios "Sunset Boulevard" has just started production and here at the lesser-known Starlight Studios, "Goodbye, Little Lady", directed by Grayden Blaize and starring Marla Duval, is in the final stages of filming. The producers are hoping for murderously good reviews!!
