

Bluebell Railway Atlantic Project Sponsorship List – July 2021

We have raised £350,000 through component sponsorship, out of a total spent so far of over £1 million. We still need a bit more to complete the locomotive, so still have a number of individual components needing to be.

If you, your friends, or your company, would like to sponsor a particular item then contact our Treasurer with a cheque made out to the Bluebell Railway Trust (and of course a [Gift Aid form](#) if you have not already filled one in).

You will in return receive an attractive Sponsorship Certificate (designed by Matthew Cousins) detailing your particular sponsored item. These will be suitable for framing should you wish. Each item on the list is individual so no one else will be sponsoring the same item.

To sponsor any of the components listed below, please fill in and return the form at the end of this document.
