

GN SALOON – SPRING AND SUMMER PROGRAMME

The GN Saloon, will be running again during 2019 following agreement with the Bluebell Railway. Our first public outing will be over the 4-day Easter weekend when, all being well, we will be attached to Set A on Good Friday, Saturday, Easter Day and Bank Holiday Monday.

Further outings are planned for 17th and 18th May then the 15th and 16th June, when we hope to compliment the Bluebell's own beer offering during the "Beer and Steam Weekend". We continue to showcase an excellent range of scones and cakes from our friends at "Cyrnel Bakery" in Forest Row.

As with many aspects of the Bluebell's operations, volunteers are always needed to help provide the service so many visitors have come to expect. If you're think of volunteering to help run the railway, there is no better insight to the railway's train operations than help to make and pour tea on a moving train! If you want to know more talk to David Chappell on the next "Find out more" days (14 April) or drop him an e-mail at Volunteering@bluebell-railway.co.uk.

If you're thinking of hiring the saloon for a private celebration please talk to the Commercial Team at Sheffield Park.
